

# James & The Giant Peach

## Primary Acting Winter 2020

**Lily:** Ladies and gentlemen we thank you for choosing magical cruise lines.

**Julia:** We are so grateful that we have a special treat for you today!

**Lily:** We have three of the best magicians in the world about to perform on stage.

**Julia:** Who's ready to see some magic?

*(Audience applauds)*

**Amelie:** Thank you. Thank you! I am the Magical Wanda!

**Molly:** She can make anything appear with her magic wand!

**Amelie:** For instance, *(she waves her wand)* I need a volunteer who likes bunnies.

**Makaila:** Ohh! Ohh! Pick me! Pick me! I LOVE BUNNIES! They're so cute.

**Amelie:** Alright. I shall make this audience member appear!

**Molly:** Everyone close your eyes.  
*(Everyone does and Molly pushes Makaila onstage)*

**Molly:** Now open your eyes.  
*(Wow reactions from the crowd. Molly hides behind Amelie.)*

**Amelie:** For my first trick I need you to hold this hat and say the magic words "Abracadabra"!

**Makaila:** Abracadabra! Bunny! Bunny!  
...Um...Where's the bunny?

**Amelie:** Bunny! Show yourself.

**Molly:** No!

**Amelie:** What? What do you mean no?

**Molly:** I want a carrot.

**Amelie:** But I don't have any!

**Molly:** I want carrot cake!

**Amelie:** How am I supposed to bake a cake right now?

**Molly:** Use your wand.

**Amelie:** That's not how it works.

**Makaila:** I want to see the bunny *(cries)*

**Amelie:** Alright fine after the show we can go to the buffet and get carrot cake.

**Makaila:** Me too!

**Amelie:** Sure, fine.

**Molly & Makaila:** Ya!!!!

**Lucy:** That wasn't a magic trick! We want to see magic!

**Lily:** Well then, you'll love our next performer.

**Julia:** Please welcome the Amazing Starla!

**Kalina:** For my first trick I need a volunteer.

**Geo:** I'm on it!

*(Geo grabs Nethanel who isn't pleased)*

**Kalina:** And what is your name?

**Nethanel:** *(Sighs)* Nethanel.

**Kalina:** Now pick a card Natalie.

**Nethanel:** My name is Nethanel! Not Natalie.

**Geo:** Any card will do.

**Nethanel:** *(Sighs)* Fine. This one.

**Kalina:** My magic senses tell me to hold the card very high. *(Geo is trying to sneak a peek at the card)* Not that high. And a little to the left. *(Geo mimes 4 hearts)*

**Kalina:** Now put your card back in the deck. *(She shuffles the card)* Was this your card?

**Nethanel:** No.

**Geo:** Of course, not she meant the *FOURTH* one.

*(Kalina counts the fourth card)*

**Kalina:** How about this one?

**Nethanel:** Still no. Can I go now?

**Geo:** The third card is always the right one. I can feel it in my *HEART*.

**Kalina:** Is your card the four of hearts!

**Nethanel: (unimpressed)** How did you know?

**Geo:** Amazing!

**Lucy:** It took her three times! We want to see a real magic trick!

**Lily:** Well, get ready to sit on the edge of your seat for this last magician.

**Julia:** Please welcome the Cosmo the great!

**Braden:** For my first trick I will need a volunteer.

**Bella:** Who isn't afraid of a little blood.

**Lydia:** Oh, pick me! I want to be a doctor when I grow up.

**Braden:** Excellent because we are going to do a little surgery today.

**Bella:** Please lay down.

**Braden:** Now watch as I cut this girl in half!  
*(Braden has a fake saw and starts center above Lydia's face)*

**Lydia:** Wait. Stop. You're doing it wrong.

**Braden:** What do you mean?

**Lydia:** You're supposed to cut me in half this way *(horizontally)* not this way *(vertically)*.

**Braden:** Oh... maybe that's why they took my real saw away.

**Lydia:** Wait. What. You're going to cut me in half with a plastic saw? That's going to take forever.

*(Lydia returns back to her seat)*

**Bella:** What do we do now?

**Braden:** Maybe I could cut your hair off or something?

**Bella:** Nope! Cut your own hair off.

**Lucy:** This is the worst show ever! And I thought *Cats* was bad.

**Lily:** We hope you will all enjoy the free buffet!

**All:** Free! *(They run off stage)*

**Julia:** Well, they paid for it already.

**Lily:** Shhh!
