Cruella: You know how people have these little habits that get you down?

Like Jaspar and Horace, they didn't know their fabrics.

I asked for spots, not stripes, not dots, SPOTS!

So I came home this one day and I'm really irritated

And I'm looking for a little bit of sympathy

And there's Jaspar and Horace, lying on the couch, watching a movie

With ten yards of dotted fabric, no, not SPOTS, dots

So I said to them, I said: You buy me dots one more time...

And they did

So I raise my hand and smacked their stupid heads together

NOW they see spots!

All: They had it coming.

They had it coming

They only had themselves to blame.

If you had been there.

If you had seen it.

I betcha you would have done the same.

Hades: I met the fates in the underworld about 18 years ago.

They told me I could rule the world and we hit it off right away.

All that was in my way was a little twerp named Hercules.

So I sent my minions to fix him a drink from the river of Styx, If you know what I mean.

And then I found out

Mortal they told me? Mortal my flames!

Not only was he powerful, oh no, but he's the son of Zeus!

One of those demigods, you know?

So that night when my "minions" returned to the underworld.

I fixed THEM a drink this time.

You know, some guys just can't hold their arsenic.

All: They had it coming.

They had it coming

They only had themselves to blame.

If you had been there.

If you had seen it.

I betcha you would have done the same.

Ursula: Now, I'm standing over the cauldron

Making us some catfish for dinner

Minding my own business

And in storms King Triton in a jealous rage

"You sent Ariel to the human world!"

He was crazy, and he kept on screaming

"You sent her to the human world!"

And then he ran into his triton.
He ran into his triton ten times

All: If you had been there, if you had seen it
I bet that you would have done the same

Hook: I was just a simple sailor. Learning how to captain my own sail. Fighting lost boys, you know, like you do. Until this one green guy kept trying to steal my treasures. And worse than that. He could fly! I looked at Peter and said, "Oh I'd give my right hand to fly." Well, he must have heard me because the next day when I'm fighting with lost boys I look down and my right hand had been cut off! Peter had cut off my hand! He even threatened to feed it to the crocodiles.

Cruella: Yes, but did he give it back?

Hook: (*Stares at hook*) WHAT DO YOU THINK!?!

Scar: My brother Mufasa ruled this kingdom. And my nephew Simba was next in line.

Now, for the last few days Mufasa was teaching Simba some tricks: 1, 2, 3, 4, 5, leaps, spins, back flips, flips-flops, one right after the other.

So, this one day beyond pride rock, I'm lounging about the elephant graveyard. Hanging with the hyenas, having a few laughs

And we ran out of zebra, so I ran out to get some.

I come back, look down the gorge, and there's Simba and Mufasa and some wildebeests, It's a stampede!

Well, I was in such a state of shock, I completely blacked out

I don't remember a thing, it wasn't until later, when I was washing the blood off my paws I even knew he was dead!

All: They had it coming
They had it coming
They had it coming all along

I didn't do it
But if I done it
How could you tell me that I was wrong?

Jafar: I was going to be the next sultan of Agrabah.

I had brainwashed the Sultan and was about to marry his daughter.

Things were looking up. Until some filthy little street rat came waltzing in proclaiming, he's a prince.

One magic carpet ride later and now the princess is in love with him. He drops the magic lamp and I use it to turn myself into the most powerful genie of all time! But I guess you can say be careful what you wish for.

I wished to be a genie. Now I wish Aladdin dead!

All: The dirty street, street, rat, rat, rat
The dirty street, street, rat, rat, rat,
They had it coming
They had it coming
They had it coming all along
If you had been there, If you had seen it.
I bet that you would have done the same.

Cruella: You buy me dots one more time.

Hades: Mortal my flame.

Ursula: He ran into my triton 10 times.

Hook: My right hand.

Scar: Mufasa and Simba.

Jafar: Be careful what you wish for.
